

Regulations

Goal: Setup and FAA dronezone account and learn how to apply for waivers, register your drones, and apply for a FRIA (FAA Recognized Identification Area)

Materials: Computer or device capable of accessing the internet. This worksheet.

Procedure: Go to this address <https://faadronezone-access.faa.gov/#/login>

1. Click on Create account and register yourself.
2. Navigate the site and locate where to register a drone.
3. Navigate the site and determine where to apply for a waiver.
4. Navigate the site and determine where to apply for a FRIA.

If you have a drone that you need to register you can complete the process. The cost is \$5 per drone.
